Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Fellowing right upon this comes the nervous strain right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

At a later interview Mrs. Bennett said: "Doan's Kidney Pills cured a shappy and healthy mother of children, member of my family of kidney trouble and indeed child-birth under the right some years ago and there has been no sign of it since. I willingly confirm my former endorsement."

Remember the remarkable trouble conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (couff-dential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### To Keep Skin White, Velvety, Wrinkle-Free

C. M. W. says: "I perspire so excessively that powder makes my face streaky these days and creams make it greasy and shiny. What can I do?" Try the treatment recommended to "Anise."

A. F. G. writes: "My skin seems so loose and wrinkly in hot weather. What will help it?" Use a wash lotion made by dissolving 1 oz. powdered saxolite in 'g pt. witch hazel. This is immediately effective in any wrinkled or flabby condition. Use dally for awhile and results will astonish you. Anise: A simple way to keep your skin smooth, soft and white is to apply ordinary mercolized wax before retiring, wasning it off in the morning. This keeps the face free from the particles of lifeless cuticle which constantly appear. The wax absorbs these worn-out particles, so the younger, fresher, healthier skin is always in view. An ounce of mercolized wax may be had at small cost at any drug store. Use like cold cream.—Aunt Sally in Woman's Realm.
